

Spring Into CASA

COMMUNITY SCAVENGER HUNT

In 2019 there were almost 800 new abused and neglected children within Lincoln, Pulaski, and Rockcastle Counties court system that needed a CASA volunteer. CASA volunteers ensure that each child's voice is heard in court and given a chance to thrive. Help us stand up for these children!

We need you!

CASA of Southern Kentucky is hosting a community spring scavenger hunt in May and wants your business to participate as a hunt location! Host a Spring into CASA Tulip and have community members come to your business to complete their scavenger hunt list.

For a minimum of \$100 (it costs \$122.50 a month to provide a child in need a CASA advocate), CASA Sponsors will benefit from:

- A DIY or painted Tulip to display in your business
- Employee team-building activity (DIY option)
- Your business spotlighted on our website and Facebook page
- Receive increased foot traffic to and awareness of your business
- Radio station announcements of the event (specific sponsors are not mentioned)
- Support an important cause in the community
- Provide a month of hope to abused and neglected children

To become a sponsor contact info@casasky.org or 606-425-5000 (please leave a message).
